Why study physics ??

[Video 1](#)

[Video 2](#)

Supplies you Need Every Day

- Students need to bring the following items to every class!
 - Pencil / Pen
 - Scientific Calculator (not your phone !!)
 - Paper
 - Binder
 - Textbook
 - Ruler

Expectations – The 6 P's

- Be Prepared! (supplies / HW)
- Be Productive ! (do your work)
- Be Positive !
- Be Polite !
- Be Prompt ! (on time every day)
- Be Proactive ! (Get Help, ask questions)

A request from the P and VP

- Students in their seat at the beginning of class
- Students in their seat at the end of class (tone does not dismiss students, teacher does, no lining up a door)
- Want students to stay in class
- No hats
- No phones

Expectations – (continued)

- See the student handbook
- No cell phones (interfere with learning, prevent you from succeeding)
- Water only – no food or drinks
- Washroom – see the student handbook (only during seatwork)
